The provisions in VMRC Regulation 4 VAC 20-950-10 et seq. describe the conditions and limitations that authorize a vessel as an alternate landing vessel to land black sea bass quota for a Directed Black Sea Bass Permit holder. This authorization may be granted to any person who is a licensed registered commercial fisherman or holds a current Seafood Landing License, in addition to a federal Black Sea Bass Moratorium Permit. Any permitted fisherman may authorize an alternate vessel to land a share of his commercial black sea bass directed fishery quota by completing this application form and having it notarized by a lawful Notary Public and approved by the Virginia Marine Resources Commissioner.
